

## Sleep Warm

Dean Martin

Sleep warm sleep tight  
When you turn off the light  
Sleep tight sleep warm  
My love

Rest your head on the pillow  
What a lucky pillow  
Close to you so close to you  
All night

Sleep warm sleep well  
Let dreams weave you a spell  
Sweet dreams of me  
My love

Close your eyes now and kiss me  
And whisper you'll miss me  
Sleep tight  
Sleep well  
Sleep warm

Close your eyes now and kiss me  
And whisper you'll miss me  
Sleep tight  
Sleep well  
Sleep warm
