

## Snap Your Fingers

Dean Martin

(Snap your fingers) And I'll come running  
(Back to you) On bended knees  
Snap your fingers I will come running  
I'll be true take a chance on me

Let your light turn green  
Baby I got to know  
Give me some kind of clue  
Should I stay or go  
Let me love you like a lover  
That you used to know  
Turn the key and let me in  
To the same old door

I had it but lost it  
Now I got a broken heart to mend  
I don't care what the cost is  
Got to find a way back in  
So snap your fingers  
Baby I'll come running  
I'll do anything to get back again

I don't care what the cost is  
Got to find a way back in  
So snap your fingers  
Baby I'll come running  
I'll do anything to get back again  
To come back again  
(To get back again)
