

## Somewhere There's a Someone

Dean Martin

Somewhere there's a someone for everyone  
Somewhere there's a someone for me  
Though I may be lonely now  
I'll see it through somehow  
To someone's heart I know I hold the key

Somewhere there's a someone for everyone  
Somewhere there's a someone for me  
And I'll search my whole life through  
Until I find a love that's true  
For I know somewhere there's a someone for me

(Somewhere)

(Somewhere)

And I'll search my whole life through  
Until I find a love that's true  
For I know somewhere there's a someone for me  
For I know somewhere there's a someone for me
