

# That Certain Party

Dean Martin

Has she got naughty eyes  
Yes she has got naughty eyes  
That certain that certain party  
You know the one I mean  
That certain party of mine

Naughty eyes turned up nose  
Rosy cheeks and pretty clothes  
Not a smarty

Has she got loving ways  
Sure she has got loving ways  
That certain party of mine

Hey Dean, remember the old time Vaudeville around 1924?  
Why sure I do  
With those corny jokes like "Can you stand on your head?"  
Nah, it's too high  
Nothing, we better sing

Has she got you know what  
Yes she has got you know what  
That certain that certain party of mine  
Has she got I forgot  
Yes she has got I forgot  
That certain party of mine  
You know what I forgot  
This and that and quite a lot  
Not a smarty  
Has she got everything  
Yes she has got everything  
That certain party of mine

(babble by Jerry)  
Hold on, hold on, what are you doing?  
Singing in shorthand?  
You're speeding  
That's better

(babble about wiener schnitzel)  
That certain that certain party of mine  
(babble about hasenpfeffer)  
That certain party of mine

You know what I forgot  
This and that and quite a lot  
What a smarty  
Has she got everything  
Yes she has got everything  
That certain party  
That certain party  
That certain party of mine
