

## True Love

Dean Martin

I give to you and you give to me  
True love true love  
So on and on it will always be  
True love true love

For you and I have a guardian angel  
On high with nothing to do  
But to give to you and to give to me  
Love forever true

For you and I have a guardian angel  
On high with nothing nothing to do  
But to give to you and to give to me  
Love forever true
