You Better Move On

Dean Martin

You ask me to give up a hand of the girl I love You tell me I'm not the man she's worthy of But who are you to tell her who to love That's up to her yes and the Lord above You better move on

I know you can buy her fancy clothes and diamond rings But I believe she's happy with me without these things Still you beg me to set her free friend that'll never be You better move on

I can't blame you of loving her
Can't you understand man she's my girl
And I Lord I'm never ever gonna let her go
Cause I Lord I you know that I love her so

I think you'd better go now I'm gettin' mighty mad You ask me to give up the only love I ever gad Maybe I would but I love her so I'm never gonna let her go You better move on you better move on You better move on movin' on you better move on
