

# You're the Best Thing That Ever Happened to Me

Dean Martin

I've had my share of life's up and downs  
But fate's been kind the downs have been few  
I guess you could say that I've been lucky  
Oh I guess you could say it's all because of you

And if anyone should ever write my life story  
Oh whatever reason there might be  
You'll be there between each line of pain and glory  
Cause you're the best thing that's ever happened to me  
You're the best thing that ever happened to me

Lord there have been times when times were hard  
But always somehow I made it through  
Cause for every moment I've spent hurting  
There was a moment I've spent loving you

And if anyone should ever write my life story...
