

# You're the Reason I'm in Love

Dean Martin

(You're the reason you're the reason you're the reason I'm in love)

You're the reason I'm in love you're my shining star above  
You're my every dream come true that's why I love you like I do  
Adam shared his love with Eve some may doubt but I believe  
I would give my life for you that's why I love you like I do  
(I would give my life for you) that's why I love you like I do  
You're the reason I'm in love...  
Yes you're the reason I'm in love
