You're the reason I'm in love you're my shining star above You're my every dream come true that's why I love you like I do Adam shared his love with Eve some may doubt but I believe I would give my life for you that's why I love you like I do (I would give my life for you) that's why I love you like I do You're the reason I'm in love...

Yes you're the reason I'm in love
