Cover Of A Magazine

Deana Carter

Man, look at that rack Right next to the popcorn and the battery packs Am I supposed to be skinny or fat? Hmm

Sometimes I get so depressed Am I supposed to wear pants or a see-through dress My friends say that I?ve become obsessed Hmm

I wanna be on the cover of a magazine I wanna be on the cover of a magazine Hair piled high, tons of diamonds It all looks good to me

How come it?s such a big deal? It?s about how you look and not how you feel All I know is I wanna wear those heels Yeah

Every day, everywhere you look For \$2.99 you get to sink your hooks In the lives of heroes, in the lives of crooks It?s all good

I wanna be on the cover of a magazine I wanna be on the cover of a magazine Hair piled high, tons of diamonds It all looks good to me

I?m gonna wear a little pillbox hat I?ll be showing you this, I?ll be showing you that I finally get to be the homecoming queen My mom and dad will be so proud of me

I wanna be on the cover of a magazine I wanna be on the cover of a magazine Hair piled high, tons of diamonds It all looks good to me
