

# How Do I Get There

Deana Carter

We've always been the best of friends  
No secrets and no demands  
But suddenly from somewhere out of the blue  
I see a different light around you  
One thing I haven't told you, I just want to hold you  
And never let go, I need to know

How do I get there from here  
How do I make you see  
How do I tell you what my heart's been tellin' me  
Lost in you lovin' arms that's where I wanna be  
You know I love you\*How do I get there

You've probably think I've lost my mind  
Takin' this chance crossin' that line  
But I promise to be truer than true  
Dreaming every night with these arms around you  
I can't wait any longer this feeling's gettin' stronger help me  
find a way

How do I get there from here  
How do I make you see  
How do I tell you what my heart's been tellin' me  
Lost in you lovin' arms that's where I wanna be  
You know I love you  
How do I get there

I know the shortest distance between two points is a straight line  
But I'll climb any mountain that you want me to climb  
The perfect combination is your heart and mine  
Darlin' won't you give me a sign

How do I get there from here  
How do I make you see  
How do I tell you what my heart's been tellin' me  
Lost in you lovin' arms that's where I wanna be  
You know I love you  
How do I get there
