## **Ruby Tuesday**

## **Deana Carter**

She would never say where she came from Yesterday, don't matter when it's gone While the sun is bright or in the darkest night No one knows, she comes and goes

Goodbye, ruby Tuesday
Who could hang a name on you?
When you smile with every new day
Still I'm gonna miss you

Don't question why she needs to be so free She'll tell you it's the only way to be She just can't be chained to a life where nothings gained And nothings lost at such a cost

"There's no time to lose", I heard her say Catch your dreams before they slip away Dying all the time, lose your dreams And you will lose your mind, ain't life unkind?

Goodbye, ruby Tuesday
Who could hang a name on you?
When you smile with every new day
Still I'm gonna miss you
