

There's No Limit

Deana Carter

If it's a long, long road, baby, I'll walk it
If it's a mountain high, baby, I'll cross it
If it's deep blue sky, you know I'll jump out in it
There's nothin' I would not do for you, there's no limit

If you want my heart, you can have it
If you want my soul, you've gotta grab it
If you want my love, then baby come an' get it
There's nothin' I would not do for you, there's no limit

It's parked back honey
And can say goodbye to Hollywood
Climb in to the back
And just get on with feelin' good

It's parked back honey
And can bid goodbye to Hollywood
Slide in to the back
There's nothin' wrong with feelin' good, feelin' good

If it's a beat up heart, I'll mend it
If it's a broken smile, I'll bend it
If it's a barbed wire fence, you know I'll take my chances
There's nothin' I would not do
This hunger you're livin' through, there's no limit

(It's a long, long road)
You can have it
(It's a mountain high)
You gotta grab it
(It's a deep blue sky)
Take your chances
(It's a long, long road)

(It's a long, long road)
There's no limit, there's no limit
There's no limit, there's no limit
