## **There's No Limit**

**Deana Carter** 

If it's a long, long road, baby, I'll walk it If it's a mountain high, baby, I'll cross it If it's deep blue sky, you know I'll jump out in it There's nothin' I would not do for you, there's no limit

If you want my heart, you can have it If you want my soul, you've gotta grab it If you want my love, then baby come an' get it There's nothin' I would not do for you, there's no limit

It's parked back honey And can say goodbye to Hollywood Climb in to the back And just get on with feelin' good

It's parked back honey And can bid goodbye to Hollywood Slide in to the back There's nothin' wrong with feelin' good, feelin' good

If it's a beat up heart, I'll mend it If it's a broken smile, I'll bend it If it's a barbed wire fence, you know I'll take my chances There's nothin' I would not do This hunger you're livin' through, there's no limit

(It's a long, long road)
You can have it
(It's a mountain high)
You gotta grab it
(It's a deep blue sky)
Take your chances
(It's a long, long road)

(It's a long, long road) There's no limit, there's no limit There's no limit, there's no limit
