

# We Danced Anyway

Deana Carter

The summer air was heavy and sweet  
You and I on a crowded street  
There was music everywhere  
I can see us there

In a happy little foreign town  
Where the stars hung upside down  
A half a world away  
Far, far away

I remember you were laughing  
We were so in love, we were so in love

And the band played  
Songs that we had never heard  
But we danced anyway  
We never understood the words

We just sang, oh  
La la la  
And we danced anyway

Well, they say you can't go back  
But baby, I don't believe that  
Come along with me  
Come on and dance with me

Well maybe if I hold you close  
Baby, we could just let go  
Of these things that tie us down  
We'll come back around

Do you remember? We were laughing  
We were so in love, so in love

And the band played  
Songs that we had never heard  
But we danced anyway  
We never understood the words

We just sang, oh  
La la la  
And we danced anyway

Do you remember? We were laughing  
We were so in love, we were so in love

And the band played  
Songs that we had never heard  
But we danced anyway  
We never understood the words

We just sang, oh  
La la la, oh oh  
And we danced anyway

Oh oh, we were laughing

Oh oh, we danced anyway  
Oh oh, we were dancing  
Oh oh
