We Danced Anyway

Deana Carter

The summer air was heavy and sweet You and I on a crowded street There was music everywhere I can see us there

In a happy little foreign town Where the stars hung upside down A half a world away Far, far away

I remember you were laughing We were so in love, we were so in love

And the band played Songs that we had never heard But we danced anyway We never understood the words

We just sang, oh La la la And we danced anyway

Well, they say you can't go back But baby, I don't believe that Come along with me Come on and dance with me

Well maybe if I hold you close Baby, we could just let go Of these things that tie us down We'll come back around

Do you remember? We were laughing We were so in love, so in love

And the band played Songs that we had never heard But we danced anyway We never understood the words

We just sang, oh La la la And we danced anyway

Do you remember? We were laughing We were so in love, we were so in love

And the band played Songs that we had never heard But we danced anyway We never understood the words

We just sang, oh La la la, oh oh And we danced anyway

Oh oh, we were laughing

Oh oh, we danced anyway Oh oh, we were dancing Oh oh
