

Guilty of Innocence

Death Angel

No choice I had to do it or else it was my ass on the floor
I had to even up the score
So I shot down the bloody, now I have to face my destiny
No hope for me in a biased society

Sinner, I'm innocent
Repent so sorry
Die, no please

Guilty of innocence
My only crime was being at the scene
All fingers point at me
Things aren't as they seem

Sinner, I'm innocent
Repent so sorry
Die, no please

Here I sit and wonder why
You constantly must classify
The way I think, the way I look but I don't really give a
'Cause you don't mean a thing to me
And this is what I fail to see

Now I have to go to jail
'Cause I can't afford the bail
Judge and jury sure they were fair
Laughing as they cut my hair

Sinner, I'm innocent
Repent so sorry
Die, no please
