

## Boston Belongs To Me

### Death Before Dishonor

Years of being told you ain't as good as us  
Join the line, sign your name  
And they all said that our country's going bust  
But no-one's fooling us again

Boston belongs to me  
A nation's pride the dirty water of the river.  
No one can take away Her memory  
Oh Oh, Boston belongs to me

We'll show the world that the boys are back to stay  
And they all know what we can do  
Heads held high, fighting all the way  
For the red, white, and blue
