

Boston Belongs To Me

Death Before Dishonor

Years of being told you ain't as good as us
Join the line, sign your name
And they all said that our country's going bust
But no-one's fooling us again

Boston belongs to me
A nation's pride the dirty water of the river.
No one can take away Her memory
Oh Oh, Boston belongs to me

We'll show the world that the boys are back to stay
And they all know what we can do
Heads held high, fighting all the way
For the red, white, and blue
