

Death Conspiracy

Death By Stereo

the sound, of revolution
the soul, my evolution
i take the test and fail
i take my lumps and wail
its a conspiracy
yeah its inside of me

life, its all distorted
but sound, we can record it
the sound, of revolution
the soul, my evolution

i can do nothing else
i walk alone and sing to myself
i walk alone in my own personal hell
a place i call home, its a place i dwell
its one part of a conspiracy
inside of you and me

forward
march
move
break
smash
build
pull
take

forward
march
move
make
smash
build
break
stake

i can do nothing else
i walk alone and sing to myself
i walk around in my own personal hell
a place i can call home, its where i dwell

forward
march
move
break
smash
build
pull
take

forward
march
move
make
smash
build

break
stake

are you ready for the revolution
because when it comes, what are you going to do
are you just going to sing about it

wont block or break the sound
these thoughts are to profound
its a conspiracy
yeah its inside of me

its a conspiracy
a death conspiracy
its a conspiracy
inside you and me

i let the hammer fall
i watch it smash them all
do not ignore the sound
whether it big or small

the sound of death breathes life
you cant ignore the signs
it will infect your head
i will inject my finds

sound
revolution
sound
revolution

the sound of death breathes life
do not ignore my strife
i said im death for life
yeah man im not for life

the sound of death breathes life
do not ignore my strife
i said im not for life
yeah man im death for life
