## Lookin' Out for #1

## **Death By Stereo**

The waters choppy, but it doesnt't't cut me now.cause i aint sin kin, no i aint goin down below.i don't think that way you know i never have.i can't slow down now just because you lag.youre al ways pulling, keep on trying.keep on trying to bring me down.im going to show you that i don't like to fuck around.you show you r face and I'll look the other way.you blink your eyes and youv e got no friends to play.pick up the slack, no.i wont carry your monkey on my back.save the world, no got no time, ive got to sav e myself today.ive got a mission to fulfill the things in life. ive got a lot of things to see before i live to die.all this ne gativity tries to bring me down.as you get worse, i turn my life around.
