Death Cab for Cutie

This won't be the last you'll hear from me It's just the start I hope that he keeps you up for weeks Like you did to me

I will hold a candle up to you To singe your skin Brace yourself, I'm bent with bitterness I can't foresee

When your apologies fail to ring true So slick with that sarcastic slew Of phrases like 'I thought you knew' While keeping me in hot pursuit

Tracing the plot finds Skin touching skin Absence follows

In the end I win every time As ink remains Sour tastes prevail as you play back The tape machine

When your apologies fail to ring true So slick with that sarcastic slew Of phrases like 'I thought you knew' While keeping me in such hot pursuit

Tracing the plot finds Skin touching skin Absence follows
