

Stay Young, Go Dancing

Death Cab for Cutie

Life is sweet in the belly of the beast
In the belly of the beast
And with her song in your heart, it can never bring you down
It can never bring you down

Lost in a maze of a thousand rainy days
Of a thousand rainy days
But when I heard her voice, oh it led me to the end
Yes it led me to the end

Cause when she sings I hear a symphony
And I'm swallowed in sound as it echoes through me
I'm renewed, oh how I feel alive and through autumn's advancing
We'll stay young, go dancing

As the music plays
Feel our bodies' sway
When we move as one
We stay young
(Go dancing)

Life is sweet in the belly of the beast
In the belly of the beast
And with her song in your heart, oh it can never bring you down
It can never bring you down

Cause when she sings I hear a symphony
And I'm swallowed in sound as it echoes through me
I'm renewed, oh how I feel alive and through winter's advancing
We'll stay young go dancing
Stay young go dancing
Stay young go dancing
