

Cheap Talk

Death from Above 1979

She uses her body
To say the things that she can't say
But so do I, I can't lie
I could never really move that way

So listen, I go crazy
The way she makes me
Get on my knees, yeah
I'm beggin' please, yeah

What he said
What she said
It doesn't really matter in the end
I can see it goin' fast
Talkin' cheap will never last

I noticed you noticing me
The way that you were walkin' out I believe
Everything you said
Your body won't lie in bed

So listen, I go crazy
The way she makes me
Now listen I go crazy
The way she makes me
Get on the floor, yeah
I want some more, yeah

She's in the back seat buying everything he says
While he's burnin' like a book catch a look in the mirror and y
ou can turn around
