

## Go Home, Get Down

Death from Above 1979

So that you're not alone  
I wanna take you home with me  
Well let's stay up all night  
Or you can while I fall asleep

Don't ask I don't know  
This is all, this is on  
Don't tell me you don't know  
I'll come back when I go  
C'mon let's go home  
You're my friend I want you to know  
Don't tell me you don't know  
I'll come back if you go

So if you tell me that you'll have me never leave me til I die  
Why try?  
But if we're living and we're happy and I come back when I go  
You will know  
[Repeat]

Don't ask I don't know  
I'll come back when I go
