Death from Above 1979

And you're tired of your Mum,  
And you're tired of your Dad.  
Got you jumping through hoops,  
Got you shaving your legs.  
Let it pass, let it pass, let it pass over you.

And you're tired of your face,  
And you're tired of your nose.  
Got you jumping through hoops,  
Got you changing your clothes.  
Let it pass, let it pass, let it pass through you.

And your nose is bleeding...  
And your nose is bleeding...  
You've been lying to me.

And your nose is bleeding...  
And your nose is bleeding...  
You've been lying to me.

There will be no hesitation,  
There will be no confrontation,  
There will be no indication,  
There will be no pause.  
There will be no exultation,  
There will be no justification,  
There will be no way at all.

And your nose is bleeding...  
And your nose is bleeding...  
You've been lying to me.

And your nose is bleeding...  
And your nose is bleeding...  
You've been lying to me.

(Luno...luno...luno...)

Come back to me, the way you were,  
The way you were when you were young.  
I'm trying to tell you everything,  
I'm trying to tell you everything.

I can heal the blind,  
(I can heal the blind)  
I can heal the blind,  
(I can heal the blind).  
I can say the right things,  
I can say the right things.  
Where did you get so cruel?  
(Where did you get so cruel?)  
Where did you get so cruel?  
(Where did you get so cruel?)  
Where do you go?  
'Cause you're never here.

And your nose is bleeding...

And your nose is bleeding...  
You've been lying to me.

And your nose is bleeding...  
And your nose is bleeding...  
You've been lying to me.

(Luno...luno...luno...)

Ooooh....  
Come back to me, the way you were,  
The way you were when we were young.  
I'm trying to tell you everything,  
I'm trying to tell you everything.
