Goin back to Tangier With some jordans and a spear Post-chrisitan shit Post chicken or the egg addiction shit Pass the sherm stick Neo-reality Be the freak you wanna see Just don't follow me I'm on a journey to The center of three Grab your fucking chain and drag you through the bike lane While everybody's like no I got this pregnant snake Stay surrounded by long hairs A plethroa of maniacs And spiral stairs Make your water break In the apple store Sink or swim, who fucking cares Cut the birth cords Press send Yeah thick Gaga can't handle this shit Headed for the sammy davis wing Throw up a black hole at the entrance of linens n things On the way Never call it a day Visit Tesla's grave for the ninth time today Still on the way Bigger wigs (When you come out Your shit is gone) I'm in your area I know the first three numbers I'm in When you come out Your shit is gone You'll catch a jpeg to the head Über reach You're an intern On wikileaks Most loved therefore most hated Come and knock on the door we've been waiting for you Game changer Reclusive aggressive Yingin and yanging noided Info warrior jack the hacker The rolling stoner Profit on disaster

My existence is a Momentary lapse of reason Got the DNA of gothic lemons Shred it thirteen times
Out of eleven
Your bad ideas are the ATM
She'd my skin
Leave it for the homeless
To sleep it
Prodigal, fuck that nautical
Teachin bitches how to swim

I'm in your area
I know the first three numbers
I'm in
(Teachin bitches how to swim)

Now backstroke
Through your k-hole
Don't run
Ya might slip
The table's flipped now we got all the coconuts bitch

Burmese babies under each arm
Screamin beautiful songs
The cray cray ultra contrarion
Havin conversations
With your car alam
When you come out
Your shit is gone
Soon your crew will be servin sandwiches named after me
Vietnamese style fool, please
Front row at the mass games

Untracable by name You speak of us in certain cicles you will be dethroned or detained GONE

I'm in your area
I know the first three numbers
I'm in
