

# I've Seen Footage

## Death Grips

Whats that  
Can't tell  
Hand held dream  
Shot in hell  
Deep space ghetto (streets)  
Show me somethin'  
I ain't seen before  
Mystery hind that  
Death door  
Juke step electrocute the floor  
Whats the science on  
Flyin' that high  
Got a no-no goin', one time

Creeps up behind me  
Over my shoulder  
Turn around try to see  
But its nowhere  
Noided, noided  
Static on my blindside

I seen footage, I stay noided I seen

Everybody's knowin'  
Where ya think you're goin' ain't goin' nowhere  
Satellite, handle that  
Wit a lead pipe

Who captures life  
Who takes whats left who stay  
On that next, already know my gillicutti, like I told you  
Don't touch me  
Whats up wit it  
I stay noided, stimulation overload account for it  
Desensitized by the mass amounts of shit

Ive seen it, I've been it  
Can't delete it feels like jail (noided) full moon in da klink shinin' don't  
sleep  
Surveillance post my bail

I seen footage, I stay noided I seen

Armored cop open fire Glock  
On some kid who stepped so  
Fast was hard ta grasp  
What even happened til you seen dat head blow  
Off his shoulders in slow mo  
Rewind that, is so cold  
Rewind that, is so cold  
I seen footage I stay noided

Juke step wit so much boy rude looseness seem like  
No bones in him skin  
(noided) my jaw hit da floor like this real for I gotta see that one mo gin

Ambulance hit and run over pedestrian in Brazil

Little tiger, boy soldier  
Twist a cap back and kills (noided)

Seen crazy shit man crazy shit

I seen footage, I stay noided I seen
