Inanimate sensation
Vantage perspective from objective it came from
Inanimate situation
No relation close liaison
No conversation, no social contagion
Bother me, wanna be comrade intrusive
I remain
Inanimate aloof skip
Counterfeit
Like no can do bitch

My vinyl vibrate higher than you, bitch I represent, ain't meant to pursue which One of you, oh you all wanna ride, well I ain't got room stress While we continue to make shit tight the loosest

Blown out Base

You got a minute You're in my way What's wrong Wrong with who So what's going on Okay Where you at right now I'm not with you Inanimate persuasion Strictly still life with all of my occasion Inanimate surge of inspiration Glow like thermonuclear invasion Compared to swapping thoughts regurgitation I revel in lack of slightest acquaintance No rancid level after taste inanimate negate opinion As it unravel like enigmatic onion Layers of interdimensional dominion

Blown out Base

Yeah, bitch My smoke, my butane My boots, my headphones, my medicated noose My deadroom, my schwartzwald hat, my Mac My macaque skull, my lysergic stash Empty streets at night, my bike Apartment sink filled with dry ice Condemned tenement, brandished rail spike Disturb in flat noir and stale white Grey cloud curled around my bearded compound like boa One of two thunderbolt we ain't broke on tour Concrète antique trapdoor twenty-four Spots to get that get right When I gotta get right some more Type of get right I can't afford I covet these things more than any living I've never been

Blown out Base

I'm so Northern California, I call scratch "bammer"
Pure overhander
Live show on a banner
Axl Rose in a blender
Slash on Satan's fender
Rick James on the cover
Running through your lover
Like mean Mr. Mustard
Stadium style
For those who came to jock
Watch that man salute you
Endless nameless Lady Godivas we snoop to
Like eighty-three mermaids in Brooklyn Zoo
Inanimate ghetto box we used to pimp through

Blown out Base

Inanimate fixation
Obsessed with my demo tape collection
Inanimate riffs I'm glazin
Brag you're making music, naw, you're makin bacon
Skinhead, skinhead inna dublin
I like my iPod more than fuckin
