

## Bring In The Night

Death in June

Bring in the Night  
Wrapped in Twilight  
We can only Care  
If we Cull...

From Nowhere to Nothing  
From Nothing to Nowhere

The Body has poisoned  
The Light of The Truth

The Runes of Dead Men  
The Runes of Dead Loves  
The Runes of Dead Dreams  
The Runes of Dead Thoughts  
The Runes of Dead Memories  
The Runes of Past Lives  
The Runes of Past Lies  
Laying Old Ghosts  
And the Slaying of Time.
