

## Power Has A Fragrance

Death in June

this bondage  
it has no charms  
silence and evil weigh down my arms  
we know our god  
by the things he creates  
life, beauty, but most of all hate

tell me your torment  
on unholy ground  
think of the times  
life turned around  
power has a fragnance  
how kreepy it krawls  
power has a fragnance  
let loose wehrwolves

this bondage  
it has no charms  
silence and evil weigh down my arms  
we know our gods  
by the things they create  
life, beauty, but most of all hate
