

## Tick Tock

Death in June

"This is a story about people who like to waste time... waste my time, waste your time, waste their time; but time is against them. Time is everyone's master, including them..."

Tick Tock Tick Tock Tick Tock  
3 piggies standing in the dock  
Their pockets all empty and bare  
Their futures, their homes, nowhere.

Auf wiedersehen...

Do widzenia...

With egos they decide to lead  
With stupidity they bruise and bleed  
What comfort they could have had  
Is now gone and up for grabs

Tick Tock Tick Tock Tick Tock  
3 piggies standing in the dock  
Their snouts all bloody and red  
They should have said goodbye instead.

Ciao!  
Auf Wiedersehn!  
Arrivederci piggie!
