```
Massacred, hacked to death, my revenge
Slicing deep, into your flesh, the pain intense
Dreams of hate, misery, fill my mind
Puke in your face in disgust, it's time to die
You must die in pain
Mutilation
Mutilation
Mutilation
Mutilation
Mutilation
Mutilation
Staring your severed head in the face
I celebrate a faggot's death, human disgrace
Hanging your mangled corpse for display
My revenge was fulfilled upon this day
You must die in pain
Mutilation
Mutilation
Mutilation
Mutilation
Mutilation
Mutilation
You must die in pain
Mutilation
Mutilation
```
