

## Together as One

### Death

Labelled a creation of evil  
Ridiculed for their shocking appearance  
Sharing both pleasures and pain  
Two minds, two hearts, one soul  
Separating mentally  
An illusion of privacy  
Together - they absorb each others lives  
As One - they will live and they will die  
A living hell has begun

Displayed as a nightmare  
Criticized through words and eyes  
As they stare  
To the normal it seems grotesque  
Connected by a bond of flesh  
Sharing both pleasures and pain  
Two minds, two hearts, one soul  
Separating mentally  
An illusion of privacy  
Together - they absorb each others lives  
As One - they will live and they will die  
A living hell has begun
