Revengeful corpse out to kill Smell the stench, your guts will spill Vomit for a mind, maggots for a cock With his axe the corpse will chop

Stare into his eyes Now in his spell Kiss the rotting flesh Now you're in hell

Drink from the goblet, the goblet of gore
Taste the zombie's drug, now you want more
Drifting from the living, joining with the dead
Zombie dwelling maggots, now infest your head

Zombie ritual Zombie ritual

Ceremony now complete
Chosen one is now deceased
Fucking, raping zombie whores
Killing, feasting no remorse

Stare into his eyes Now in his spell Kiss the rotting flesh Now you're in hell

Drink from the goblet, the goblet of gore
Taste the zombie's drug, now you want more
Drifting from the living, joining with the dead
Zombie dwelling maggots, now infest your head
