

The stillness of Contemplation is allowed in billions of woeful cries,  
 So astonishingly simultaneous and in unison,  
 Each and every second,  
 They defuse each other in such a perfect manner,  
 Equaling the most inscrutable of all  
 Silences

The fruit that is forbidden  
 Holds the greatest potential for providing infinite knowledge  
 Spiritual Incest and the defilement of the temple of the Holy Spirit  
 Ritualized and Immanent...  
 The pursuit of perversity, is it not but a mask  
 On the search for meaning and knowledge?  
 The purest of all Holocausts shall be perpetrated

 Pour sentir notre proper existence spirituelle et divine;  
 Nous n'en avons pas d'autre pour la fair sentire à nos semblables"

"And we have the prophetic word made more sure  
 You will do well to pay attention to this as a lamp shining in a dark place,  
 Until the day dawns and the morning star rises in your hearts"
