

## Alcohol Fueled Brutality

### Debauchery

Empty Bourbon Whiskey bottle  
Totally drunken rocker  
Totally aggressive manner  
Time to take my knife and hammer

Crunch your bones and cranium  
Break your ribcage just for fun  
Spine is broken - feel the pain  
Violation, jugulation with the chain

Breaking your teeth and jaw  
With a heavy iron saw  
Cutting your head off  
Also arms and legs and other stuff

Feel the fucking pain
