

Baptise This World In Blood

Debauchery

Now is the time for brutality
Now is the time for butchery
Now is the time for insanity
Now is the time for Debauchery

Now is the time to rape
Now is the time to kill
Now is the time to maim
Now is the time to burn

Now is the time to murder
Now is the time to slaughter
Now is the time to disembowel
Now is the time for Voodoo dolls

The more I kill
The better I feel

Now is the time for brutality
Now is the time for butchery
Now is the time for insanity
Now is the time for Debauchery

Now is the time to rape
Now is the time to kill
Now is the time to maim
Time to butcher bitches
