

Butcher Of Bitches

Debauchery

Rapist of whores
Drowned in gore
I rage and roar
Little bitches I've got
The Slayer of Sluts
Feeds on your guts

Time for killing
Virgin blood spilling
It's so chilling
Lying on the bed
Missing arm and head
Small cunt is wet
I am the Butcher Of Bitches

Searching for blood
Wait until you're rot
I've got you slut

Crazy and insane
Bitch die in pain
I#m a perverse man
I am the Butcher Of Bitches
