

## Continue To Kill

## Debauchery

Kill for the living  
Kill for the dead

Your body will be ripped apart  
In small gory fucking parts  
The violence is unbroken  
Debauchery is awoken

The ribcage is open wide  
Hooks and knives in your side  
Brutal torture in the pit  
Continue, never quit

Maiming, burning, killing fury  
Cunt ripped open - Fine and juicy  
Bringing the pain - Bringing the blood  
Ripped apart - Gutsfuck

Blood runs - Anger rise - Death wakes  
War calls
