

Death Metal Maniac

Debauchery

Obituary - slowly we rot
Debauchery - Back In Blood
Bolt Thrower - in battle there is no law
SFU - haunted Rock 'n' Roll

With a Whiskey bottle in my bloody hand
And a guitar I will conquer your land
Bringing fun and blood and guts and gore
With Death Metal fighting the eternal war

On the toilet pussy is loving cock
And my dick goes hard as a fucking rock
We listen to AC/DC as you suck
Hey baby let's fucking fuck
