

# Insane Human Butchery

## Debauchery

Victims  
Like cattle  
Crowded together  
Dismembered  
And butchered  
In their thousands  
Ripped apart  
With a knife  
And with the scissors  
On the meat hook  
Drenched in fuel  
I see them burning  
Hack, slash, kill, burn  
Hack, slash, kill, burn  
Hack, slash, kill, burn  
Hack, slash, kill, burn  
Stab to death  
Scatter bowels  
Rid apart  
With a knife  
With the saw  
With axes  
Much blood spilled  
Head off  
Blood drips on the ground  
Human cadavers  
Mutilated, dissected  
Disembowelled bodies, corpses  
Children  
Stabbed in the womb  
Ripped, slash open, hacked, burned  
Perverse, fucking
