

# Kings Of Metal

## Debauchery

Manowar manowar living on the road  
When were in town speakers explode  
We dont attract wimps cause were too loud  
Just true metal people thats manowars crowd

They wanna keep us down  
But they cant last  
When we get up were gonna kick your ass  
Gonna keep on burnin  
We always will  
Other bands play manowar kill  
Other bands play manowar kill

We like it hard, we like it fast  
We got the biggest amps, man they blast  
True metal people wanna rock not pose  
Wearin jeans and leather, not cracker jack clothes

They wanna keep us down  
But they cant last  
When we get up were gonna kick your ass  
Gonna keep on burnin  
We always will  
Other bands play manowar kill  
Other bands play manowar kill

Were the kings of metal commin to town  
When we light up, have the roof nailed down  
Dont try to tell us that were too loud  
cause there aint no way that well ever turn down

They wanna keep us down  
But they cant last  
When we get up were gonna kick your ass  
Gonna keep on burnin  
We always will  
Other bands play manowar kill
