

Rocker

Debauchery

You think you can humble me
'cause I'm all alone
But I've got a iron will
And a heart of stone

I'm a rocker (4x)

I can hear their lies
Sometimes O just wanna cry
But my iron will
Gives me the strength to kill

I'm a rocker (4x)

I'm a rocker
I bring you death
I'm a rocker
I bring you pain
I'm a rocker
I'm here to kill
I'm a rocker
I was born in hell
