You think you can humble me 'cause I'm all alone
But I've got a iron will
And a heart of stone

I'm a rocker (4x)

I can hear their lies Sometimes O just wanna cry But my iron will Gives me the strength to kill

I'm a rocker (4x)

I'm a rocker
I bring you death
I'm a rocker
I bring you pain
I'm a rocker
I'm here to kill
I'm a rocker
I was born in hell
