

Dancin' In My Mind

Debbie Gibson

Feelings carry away with me
Till I tremble no more
Music makes lovers of all of us
Out on the floor
Oh, I don't know you too well
And we don't have much time
But whenever you cross my mind

We'll be dancin' like we did that summer
When no boundaries kept us confined
We'll be intimately dancin' in my mind

I wish I had many lives
At least more than this one
Then I could deeply feel and learn
To love everyone
No, I just can't up and leave
Everything behind
But still you have touched my life

And I'll be dancin' like we did that summer
When no boundaries kept us confined
We'll be intimately dancin' in my mind

You feel lovely
You're just what I need right now

Do do doo da doo

Dancin' like we did that summer
When no boundaries kept us confined
We'll be intimately dancin' in my mind
