

Love Or Lust

Debbie Gibson

I feel there's something wrong between us
I have no real reason
You say you love me
But you have one way to show me
And I need more
So listen to me

Another night alone with you
Another game you put me through
Another tear, another lie
Another see-through alibi
How can you say "I want you, dear"?
You know the words I want to hear
But every time that you say that line
Can't help but wonder what's really on your mind

Is it love or is it lust?
Are you someone I can trust?
Would you take it to the limit for me?
Is it truth or is it dare?
Tell me if you really care
Baby, I don't mean to make a fuss
Is it love or is it lust?

Is it love or is it lust?
So tell me

The finest jewels may hypnotize
But I don't need what your money buys (oh no)
I'm searching for a heart that's true
(You know) The kind of love I give to you
I can't deny you satisfy
I'm not so sure of what you feel inside
You don't express your love unless
You feel the warmth of my caress

Just talk to me, can't read your mind
I hope you're not the selfish kind
I could be wrong, I could be right
So you tell me
Just stay tonight

Is it love or is it lust?

I don't mean to make a fuss
Tell me is it love or lust?
Tell me
Baby, is it truth or dare?
Tell me darlin' do you care?
Is it love or is it lust?

Another tear, another lie
Just tell me dear 'cause I wonder why
I'm searching for a heart so true
You always said I could trust you
Now I feel that something's wrong
I thought we had a bond so strong

I can't deny you satisfy
I want more
Let's try
