

## Negative Energy

Debbie Gibson

Don't you take me down the back roads  
I wanna see the sun  
I was thinkin' 'bout pleasure  
When we begun

I kept thinkin'

All along  
Where did we go wrong?  
No, no more  
Negative energy

Life changes in a heartbeat  
Emotions made of crystal and glass  
Life turns us from Jekyll to Hyde  
We don't mean to be cruel and crass

Be good to me  
I kept thinkin'

Energy  
Be good to me...

I don't want money  
I don't want a car  
I wanna know where you're hiding  
I wanna know who you are  
Don't want to be humored  
Can't stand the wait  
I don't wanna be a victim  
Of your unclear state

Don't try to pass yourself off  
As the confused good guy  
Say hello or say goodbye

No, please no more  
Negative N-R-G  
Be good to me

I keep wondering where we ever went wrong  
I keep wondering where we ever went wrong  
I keep wondering where we ever went -  
Wondering -
