

Should've Been The One

Debbie Gibson

..2, 3, 4!

Well if I looked all over this world
I don't think I would find someone so true
Someone like you
oh and I know it may be too late
but ya know I cannot wait,
What should I do?
I still love you. Oh...

When the stakes all are high
and the odds are all against us
Why do I still keep loving you?

You know you should've been the one
Our love could've been something new
and now I don't know what to do
Oh, I'll never give up on your love
'cause you always will be the one
Who brightens everyday
even though you took my heart away
ya know it makes no difference to me
'cause you always will be the one

Well, call me crazy or what you will
It doesn't change the way I'll always feel
'cause this is real
It's nothing you ever said
It's all those crazy dreams that are in your head
(that are in your head) in your head

Alright now...
Here we go...

You know, our love could've been something new
and now I don't know what to do
Because you always will be the one
Who brightens everyday
even though you took my heart away
ya know it makes no difference to me
You know our love could've been something new
and now I don't know what to do
Oh, I'll never give up on your love
'cause you always will be the one
Who brightens everyday
even though you took my heart away
ya know it makes no difference to me
'Cause you always will be the one!
