## **Teach You To Love**

## **Debbie Gibson**

They teach you to read They teach you to write They teach you to say Your prayers at night They teach you good manners And all that stuff

But they don't teach you how to love

Dad taught me fishin' Baitin' the hook Mama taught me how To sew and cook I know that they tried But what I'm dreamin' of,

Is that someone's gonna teach me how to love

Anyone can move a mountain If they work hard enough If it was only that easy To move someone to love

They teach you to hurt They teach you to hate And learn to hold back Till it's just too late Then they teach you to run When the goin' gets tough

But they don't teach you how to love

They teach you to dance They teach you to sing These days they teach you Everything I know why my heart Feels like it does

If someone's gonna teach me how to love

Please won't you teach me how to love
